

# Encountering Angels

*Real-Life Experiences of Heavenly Intervention*

JERAME NELSON

## *Angels are for Real!*

The Bible is full of stories of angels interacting with humankind, but what about today? In this breakthrough book by prophet Jerame Nelson, you will understand that angels do indeed dwell among us, and play an important role in God's plan of evangelism. More than just an interesting collection of angel encounters, Nelson goes beyond just describing angels (amazing encounters, their biblical significance, etc.) to revealing:

- The purpose of angels in human form;
- Varieties and types of angels;
- How angels can help transform your life;
- How to position yourself for angelic encounters;
- Their role in God's destiny and plan.

The history of the entire Gospel was shaped through angelic activity. Today it may not be as common to hear about angelic visitations and encounters, but they exist and are happening right in our midst!
